Unclassified

1. Purpose: This message is the fiscal year (FY) 2010 update to AR 601-20 which announces the Interservice Physician Assistant Program (IPAP) and solicits applications from regular component, Army enlisted, commissioned officers, warrant officers, ROTC Cadets, and other service members as specified in this message.
 - a. Enlisted students selected for this training will attend in an officer candidate status (OCS) and will be accessed into the Army Medical Specialist Corps (SP Corps) as commissioned officers upon successful completion of the training.
 - b. Warrant officer students selected for this training will attend in their current warrant officer grade and will be accessed into the SP Corps as commissioned officers upon successful completion of the training.
 - c. Commissioned officer students will be conditionally reappointed as SP officers and will wear the grade as determined by their individual constructive service credit IAW DODI 6000.13.
 - d. Personnel applying from other services and ROTC can only apply for Active Duty Army training seats and will be transferred to the Army upon acceptance to IPAP. They will incur a 4 year obligation for the training in addition to any remaining service obligation for scholarships or other training they may have received. They must meet all of the requirements outlined in this FY Message. ROTC application procedures are different from Active Duty soldiers. Application information can be found at www.usarec.army.mil/armypa.
 - e. **Army personnel selected for the IPAP are exempt from stop loss, stop movement, and life cycle unit requirements.**
 - f. **Civilian Personnel are not eligible to apply for IPAP.**

2. References

Required and related publications and referenced forms are listed in appendix A.

3. Explanation of abbreviations

Abbreviations used in this regulation are explained in the glossary.

4. Responsibilities

- a. The Director, Health Care Committee, Interservice Training Review Organization (ITRO) will provide overall direction of this training program. AR 351-9 provides the authority for the ITRO as well as policies addressing interservice training of Department of Defense military and civilian personnel.
- b. The Commander, U.S. Army Recruiting Command (USAREC) (RCHS-SVD) will:
 - (1) Provide primary assistance to the ITRO on matters pertaining to selection, training, appointment, and assignment of personnel under this program.
 - (2) Receive, process, and prepare applications for consideration by a selection board appointed by the Commanding General (CG), Army Human Resource Command (AHRC-OPH-SP) based upon Office of The Surgeon General (OTSG) regulatory guidance.
 - (3) Update requirements for the application process at the beginning of each fiscal year (FY), pertinent to that FY. Information and updates can be found on the USAREC homepage at <http://www.usarec.army.mil/armypa>.
- c. The Commander, Army Medical Department (AMEDD) Center and School, Fort Sam Houston, TX, under the auspices of the Director, Health Care Committee, ITRO, will direct planning and conduct the training under this program.
- d. Unit commanders and immediate supervisors will interview and provide specific recommendations on applicants under their control and/or supervision.
- e. Commanders of Personnel Service Battalions/Centers (PSBs/PSCs) will assist and counsel soldiers to ensure timely, accurate, and complete processing of their training applications.

5. Ineligibility

- a. AR 135-100, paragraph 1-7 and AR 135-101, paragraph 1-6, list conditions that make a soldier ineligible for appointment as a commissioned officer.
 - (1) Requests for waivers are encouraged and processed IAW AR 135-100 and AR 135-101. If needed, waivers will be forwarded with application to Commander, USAREC, (RCHS-SVD-PA), 1307 Third Avenue, Fort Knox, KY 40121-2726 for appropriate action.
 - (2) All waivers are processed after the entire application is received at USAREC NLT 1 Mar 10. Waivers should NOT be submitted separate from the application.
 - (3) There are four potential categories of waivers: 1) Time in service (TIS), 2) Age, 3) Conviction, and 4) Medical. Detailed explanations for these potential waivers are outlined in this document and at www.usarec.army.mil/armypa.

- b. All applicants must be within the height/weight standards prescribed in AR 600-9. These standards will not be waived.
- c. All applicants must be medically fit IAW AR 40-501 and meet retention standards of AR 635-40.

6. Basic prerequisites

All Service Members (Officer, Warrant Officer, and Enlisted), ROTC Cadets, and personnel from other services (Air Force, Navy, Marine Corps and USAR) who meet the eligibility criteria may apply for this program regardless of their military occupational specialty (MOS) or their area of concentration (AOC). The Interservice Physician Assistant Program Manager is authorized to defer selected applicants up to 1 year if a class date impacts the readiness of a unit or is in the best interest of the program.

- a. Deferment is authorized, provided it will not cause the soldier to lose eligibility to attend the course.
- b. The request for release for enlisted personnel will be obtained by USAREC (RCHS-SVD) through coordination with the Reclassification Management Branch, AHRC (AHRC-EPR-F) following selection of primary and alternate school attendees. The request for release for warrant and commissioned officer personnel will be obtained by USAREC through coordination with Army Medical Specialist Corps Branch, AHRC (AHRC-OPH-SP) and the appropriate warrant or commissioned officer branches.
- c. Applicants must also meet the following prerequisites:
 - (1) Be a service member Regular Army Active Component and have a minimum of 3 years of active Federal service by 30 August following the FY of application. **Time-in-service waivers for Service Members are encouraged and they are routinely approved.**
 - (a) Only prior active Federal service of any branch of the Armed Services will count toward the 3 years active Federal time. Prior service in the U.S. Army Reserve (USAR) or Army National Guard will not count toward this 3 years active Federal service.
 - (b) Applicants who will have 8 or more years of active Federal service during the anticipated FY of school attendance (1 Jan 2011) must request a waiver for time-in-service. This waiver must be included as part of the basic application. **Time-in-service waivers are encouraged. All waivers will be considered.**
 - (c) All applicants must be U.S. citizens IAW AR 135-101 and AR 135-100. All applicants must be eligible for the granting of a security clearance at the SECRET level and must provide evidence of having initiated the application for a security clearance at the SECRET level with the application. **The S2 or Security Manager must provide a memo stating that the applicant submitted a request for a security clearance and**

an interim clearance has been granted. All applicants must meet retention standards in order to complete IPAP training and fulfill the 4-year active duty service obligation.

- (2) Applicants must have a sound working knowledge of written and spoken English. Soldiers who are native to Guam, Puerto Rico, or for whom English is not their primary language, must meet the English language standard as reflected by a score of 90 on the English Comprehension Level Test and achieve a Defense Language Institute skill rating of "2-plus" in comprehension and a "2" in speaking, as prescribed in AR 621-5, paragraph 10-2d(2).
- (3) **Enlisted applicants must have a general technical aptitude area score of 110 or higher. This is NOT waivable.**
- (4) Have passed the standard Army physical fitness test during the FY of application. A record APFT signed and verified by the CDR or 1SG with a date no earlier than 1 OCT 09 must be submitted with the application. **No Alternate events are authorized.**
- (5) Have at least 60 semester hours of transferable credit from a college or university approved by an accrediting body recognized by The Council on Post-secondary Accreditation and The Department of Education.
 - (a) Only grades of "C" or better are transferable. Applicants must have a minimum cumulative grade point average (GPA) of 2.5 (from all colleges and universities attended), and a minimum GPA of 2.5 for all science courses. **The GPA requirement will NOT be waived.** All applicants must complete an Academic Worksheet. The Academic Worksheet can be obtained at:
<http://www.usarec.army.mil/armypa> and clicking on "Active Duty Application". Formflow users may acquire the form at:
<http://www.usarec.army.mil/im/formpub/Forms.htm#UF123> and click on USAREC Form 1235. All course work attempted will be entered in the appropriate section of the Academic Worksheet. **Credit given for military experience (i.e. AARTS) and technical training, such as emergency medical technician courses, should not be included on the Worksheet.** All course work accomplished by Online Courses (OC) will be identified as such on the Worksheet. Place (OC) next to the course title on the sheet if the applicant took the course online.
 - (b) Of the 60 semester hours (SH) of credit, the following mandatory courses (30 semester hours) must have been earned as in-residence hours at an approved accredited college or university (Regional Accreditation). **Online courses are considered as in-residence.** Applicants are strongly encouraged to repeat any of the mandatory science courses (Anatomy, Physiology and Chemistry) that were completed greater than 5 years ago, but they will be accepted as long as they are not older than 10 years. Other coursework can be older than 10 years. In-residence hours are defined as academic work completed by class attendance or by a graded distance learning course that is an accredited college or university recognized by the affiliate university. Note: All coursework must have an associated letter grade

(Pass/Fail will not be adequate to meet the requirement). The following are **NOT** accepted as in-residence hours: MOS or other military service training, AARTS (Army/American Council on Education Registry Transcript System), College Level Examination Program (CLEP), Defense Activity for Nontraditional Education Support (DANTES), correspondence courses, ACT-Proficiency Examination Program, Regents or Excelsior College credit for examination, other examination for credit, or other programs that do not award semester or quarter hours of credit and a letter grade of "C" or better. Transfer credits listed on a college transcript from any of the preceding also do not qualify as in-residence hours. The prerequisite courses must be complete and presented on an official transcript prior to being submitted to the board. **The applicant must have completed the following mandatory, non-waiverable, courses in-residence and they must provide course descriptions for all science courses (attach to academic work sheet):**

1. 6 semester hours of English (3 SH of which must include composition) **(CLEPs will be considered for English I and II ONLY).**
 2. 6 semester hours of humanities/social sciences (i.e. government, political science, art, language courses etc...)
 3. 6 semester hours of General Chemistry, Organic, Inorganic, or Biochemistry **(lab not required). Introductory courses are not acceptable.**
 4. 3 semester hours of Human Anatomy (lab not required).
 5. 3 semester hours of Human Physiology (lab not required). (The combination of Anatomy and Physiology courses is acceptable).
NOTE: A single 4 SH A&P I course is equivalent to 2 SH Anatomy and 2 SH of Physiology. Therefore applicants must take the follow-on A&P II course to gain a minimum of 3 SH in Anatomy and 3SH in Physiology. If you take a 3-4 SH course in Human Anatomy, then take a 3-4 SH course in Human Physiology separately.
 6. 3 semester hours of college Algebra or higher level math course (i.e. Statistics) **(Intermediate Algebra will NOT be accepted.)**
 7. 3 semester hours of Psychology (Any Psychology - acceptable course include Intro to Psychology, Behavioral Psychology etc...)
- (c) The other remaining 30 semester hours may be derived from examinations offered by the CLEP general and subject examinations, DANTES, ACT-Proficiency Examination Program, correspondence courses, AARTS, MOS, other military training, Regents, or examination for credit or in-resident attendance. **All applicants without a BS Degree must submit an official AARTS transcript.** To request an institutional AARTS transcript, mail or fax a written, signed request or completed DA Form 5454-R and forward to: AARTS Operations Center 415 McPherson Avenue, Fort Leavenworth, KS 66027-1373. Fax: (913) 684-2011. Applicants can also request a transcript online at <http://aarts.army.mil/>. **Have the official transcript sent to Commander, USAREC (RCHS-SVD-PA) (Your Last Name, First Name, Rank, and Email Address), 1307 Third Avenue, Fort Knox, KY 40121-2726.**

- (1) Credit awarded will be based on recommendations provided by the examining agency.
 - (2) Credit will not be granted for any examination that is a duplicate of a course already taken for academic credit.
 - (3) Military training and experience may be evaluated for award of credit by submission of an official AARTS transcript. Credit for MOS related training and experience may not be applied to the 30 SH of specific prerequisite coursework **except** in the following cases: 68WK (Lab Technicians) will receive 6 hours of Chemistry Credit, 18Ds Special Forces Medics and 68WM6 (LPN) will receive 3 Hours of Anatomy credit. **NO Other MOS Training will be accepted.** The actual credit will be determined by the University of Nebraska at the time of official review. Other credit may be applied to the 30 SH of additional coursework as determined by the degree issuing institution.
 - (4) An official record or transcript must be provided from the examining agency. For example, the applicant must provide an official CLEP score report for verification of CLEP scores.
- (d) The affiliate university (the institution of higher education that awards the qualifying physician assistant (PA) degree) requires an official transcript **from all institutions of higher education attended.** Transcripts must be sent directly from the institution to **USAREC, ATTN RCHS-SVD-PA (Your Rank, Last name, First name), 1307 Third Avenue, Fort Knox, KY 40121-2726. Transferred credits will not be accepted.** Copies issued to students and photocopies are not acceptable. Credit is not awarded for courses taken at one institution and posted as transferable credit on the transcript of another institution. Therefore all courses must be represented on the transcript of the school where the courses were originally taken. **NOTE: All official transcripts must be mailed to USAREC from the issuing institution NLT 1 Mar 10.**
- (1) **The University of Nebraska will complete a detailed academic review for applicants prior to submitting an application to ensure that the applicant meets the Overall GPA, Science GPA and course requirements. In order to receive the academic review, applicants must submit the following:**
 - A) **Completed academic work sheet (see website for example and detailed instructions on filling out the form).**
 - B) **Course descriptions for all science related coursework.**
 - C) **Official transcripts for all schools attended.**

D) Provide a manila folder with the applicants Full Name, Rank, SSN, email address, mailing address, and phone number on the outer left hand side of the folder.

E) Copy of SAT Results.

F) The items listed above will be mailed to the address located in 15. This review can be completed from 1 Oct – 1 Feb, but will only occur if the applicant provides all of the required documents listed above. This review must be done early to receive feedback. Applicants can NOT email transcripts for review.

- (e) All academic prerequisites must be complete and provided to HQ, USAREC on official transcripts no later than 1 Mar 10. Applicants may be considered for academic delay status if they otherwise meet all pre-requisites and meet application criteria for academic delay. See paragraph 7 below.**
- (f) Open Official transcripts should be included in the initial IPAP application with the COMPLETED academic worksheet. This is in addition to the Official transcripts that are sent to USAREC from your issuing institution.**

7. Academic Delay versus the Requirements Completion Course:

a) Applicants who meet all academic and eligibility criteria, except for 15 or less college credits that can be completed by 31 December of the application year, may apply for consideration as an academic delay. Academic delay applicants must meet all application deadlines except for official transcripts of courses approved for delay and may be selected if the board determines that the applicant shows potential. An academic delay must maintain eligibility and provided official transcripts with verification of completion of the academic prerequisites, with a letter grade of “C” or better, **NLT 31 Dec 10**. If the applicant doesn’t complete their coursework, the next person on the OML will be activated.

Academic Delay applicants must maintain all eligibility criteria and must provide official transcripts to HQ, USAREC verifying completion of the courses prior to 31 Dec 2010.

Applicants who wish to be considered for academic delay status must:

- (1) Submit a memorandum requesting consideration as an academic delay. This memorandum will include an education plan that outlines which courses are going to be taken in the summer and/or fall semesters and the anticipated dates of completion of each course.**
- (2) Maintain all eligibility criteria**

- (3) Complete all prerequisite academics with a letter grade of “C” or better
- (4) Maintain an overall GPA of 2.5
- (5) Maintain a science GPA of 2.5
- (6) Changes in the academic delay plan must be approved by the Program Manager to ensure that course work meets the requirements for admission to IPAP.

b. Requirements Completion Course (RCC) provides applicants applying for an active duty training seat (Reserve and NG soldiers are not eligible for this program unless they apply for an Active Duty training slot), who are missing certain courses and are therefore unable to meet all IPAP prerequisites, an opportunity to be reassigned to AMEDD Center and School, Fort Sam Houston, TX and obtain the needed prerequisites. Applicants who meet all academic and administrative eligibility criteria for IPAP application except for 15 or less semester hours (SH) can apply for consideration for enrollment in the RCC. Eligibility is limited to missing any of the following courses: **3 SH of Human Anatomy, 3 SH of Human Physiology, 6 SH of General (or higher) Chemistry and/or 3 SH of College Algebra.** Applicants must meet all IPAP application deadlines and meet all other requirements. Applicants to the RCC will be boarded with fully qualified applicants and may be selected if the board determines the applicant shows potential to successfully complete all academic requirements. Applicants selected for the RCC will be eligible to PCS to Fort Sam Houston for one semester (Aug – Dec) of enrollment in a local college to complete prerequisite course. The applicant will be required to take ALL 15 SH of coursework even if the course was previously taken. Costs of tuition and books will be at the student’s expense. IPAP, RCC, USAREC and its constituents are exempt from any fiscal responsibility related to course enrollment in the RCC and will not reimburse tuition or book costs incurred by students. Students are encouraged to maximize use of tuition assistance if available.

- (1) Applicants who wish to be considered for enrollment in the RCC must meet the following criteria:
 - (a) Have at least 45 college credits, 15 of which include the resident prerequisite courses of 6 SH of English, 3 SH of Psychology, and 6 SH Humanities.
 - (b) **Have a minimum overall GPA of 3.0 and Combined SAT Score > 1200 on the combined Critical Reading and Math Score.**
 - (c) Maintain an overall GPA and science GPA of 2.5 and achieve a letter grade of “C” or better in each course.
- (2) Applicants requesting consideration for enrollment in the RCC must submit a memorandum of understanding (Simply print and initial the document off the website – DO NOT Type a new form) and this will be in addition to the basic application memorandum of Para 6. **The application for RCC is exactly the same as other applicants with the addition of this document.** The following statement will be included in the packet:

- (a) “In accordance with Army Regulation AR 601-20, I hereby request that I be considered for enrollment in the Requirements Completion Course to complete the academic prerequisites for the Interservice Physician Assistant Program (IPAP). I meet all academic and administration eligibility criteria except that I have 15 or less college credits to complete the academic requirements for IPAP. I will be able to meet all academic requirements for admission to the affiliate university upon successful completion of the RCC.
- (b) “I understand that I will be eligible to PCS to Fort Sam Houston for participation in the RCC. I will be assigned to D Company, 187th Medical Battalion for command and control during this period of training. I understand that I will attend the required coursework that is prescribed by the faculty of the IPAP.”
- (c) “I understand that I may request to utilize Tuition Assistance to enroll in classes at the local college(s), but that many not be available to me. I understand that I will be required to purchase my own textbooks and any other non-tuition related costs required in each course. I understand that I am fully responsible for all cost incurred while taking class at a local college in SA.”
- (d) “ I understand that I must have a minimum of 3.0 overall GPA to be eligible for enrollment and must maintain a minimum overall grade point average (GPA) of 2.5, a science GPA of 2.5, and a minimum grade of “C” in each course in order to retain eligibility for subsequent enrollment in IPAP. “
- (e) “I understand that I must continue to meet all administrative qualifications for enrollment in IPAP during the RCC, including physical status IAW AR 40-501 and AR 600-9. Upon successful completion of the prescribed college work and achievement of the minimum GPAs, I understand I will enroll in the next scheduled IPAP class.”
- (f) “I understand that if I am not successful in completing the RCC, I will not be enrolled in IPAP and will be reassigned based on the needs of the Army.”
- (g) **IF enlisted:** “ As an enlisted soldier, I understand that I will be required to execute a reenlistment contract or extension to fulfill the remaining service obligation (RSO) of 60 months prior to arrival at Fort Sam Houston, Should I not be successful in completing the RCC, I understand that I will not be released from that RSO but will service the remainder of the 60 months and will be reassigned based on the needs of the Army”
- (h) **IF an officer:** “ As an officer, I understand that I will incur a 24-month Active Duty Service Obligation (ADSO) for use of Tuition Assistance and a 12-month ADSO in association with the PCS move to Fort Sam Houston, totaling a 36-month ADSO. I also understand that I will be re-appointed in the Army Medical Specialist Corp and awarded constructive service credit as

calculated IAW DODI 6000.13 at the time I report to Fort Sam Houston for enrollment in the RCC. If I become non-select for promotion while attending the RCC and IPAP, I may be removed from training, re-branched, or released from active duty depending on the needs of the Army.”

- (i) “If in receipt of an enlistment bonus or selective reenlistment bonus, I understand I **may** be required to refund the percentage of the bonus equal to the percentage of obligated service that I will not perform as of the date I depart my duty station for RCC. **I understand that I must check with my reenlistment NCO to fully understand my obligation to refund the bonus (s).**”
 - (j) “My current Active Duty Service Obligation (ADSO) expires on _____. I understand that any and all remaining ADSO will run consecutively with the ADSO incurred by my attendance to the RCC and to IPAP. Time spent in the RCC and IPAPP will not be used to satisfy any outstanding ADSO, IAW DODI 6000.13. Consecutive obligations will be discharged “first incurred, first served.”
 - (k) I am not currently scheduled for or attending MOS training as a result of a reclassification or reenlistment retraining contract. I have not applied for reclassification or reenlistment retraining and will not apply for such training while I am an applicant to this program.”
- (8) **All applicants, regardless of degree status**, must take the Scholastic Aptitude Test (SAT) within five years of the fiscal year of application (1 Mar). **The minimum score must be 500 in each section of the exam and the applicant must have a combined Critical Reading and Math score of no less than 1000.** The SAT may not be substituted with another college aptitude exam, i.e. GRE, MCAT, or ACT. The Scholastic Aptitude Test (SAT) – Version One -- Official scores will be sent directly to HQ, USAREC, ATTN: RCHS-SVD, 1307 Third Avenue, Fort Knox, KY 40121-2726 **by entering the code “3994” on the SAT test form. The SAT must be taken early enough to ensure receipt of results (NLT 1 Mar 10) – Allow a minimum of 8 weeks for the College Board to grade the examination – schedule the examination NLT 1 Jan 10.** Army Education Centers can assist with the completion of the SAT requirement and in many cases offer the examination for free.
- (9) Enlisted and warrant officer applicants must meet the eligibility criteria for a commissioned officer appointment as prescribed by AR135-100 and AR 135-101, or obtain a waiver per paragraph 5.
 - (a) Enlisted applicants may not be considered if currently scheduled for or are attending MOS training resulting from an approved reclassification or reenlistment contract.
 - (b) Prior to training, the enlisted applicant may request cancellation of a voluntary reclassification or waive the reenlistment contract option according to AR 601-280.

(10) As specified in AR 135-100 and AR 135-101, enlisted applicants must be physically qualified for appointment in accordance with AR 40-501, chapter 2. Requests for waivers with supporting documentation must be submitted and approved prior to convening the selection board, as outlined in paragraph 5 of this regulation. Commissioned and warrant officer applicants must be physically qualified for retention in accordance with AR 40-501, chapter 3. **All applicants with a P2 (except hearing) or P3 profile are ineligible to apply.**

(11) Enlisted applicants must complete the mandatory service remaining requirement for MOS training prior to attending the IPAP (Normally this is 12 months). This requirement is non-waiverable.

(12) Applicants (**other than 68 Series Soldiers**) must obtain a conditional release from their career management branch, Human Resource Command. The conditional release can be requested by submitting a DA 4187, Memo, or Email to the career manager. The following statements should be included in the body of document:

- (a) (Rank Name)'s request for conditional release is approved/disapproved upon acceptance to the Interservice Physician Assistant Program (IPAP).
- (b) This approval is an administrative requirement that will permit (Rank, Name) to change his/her branch from (Current Corps/MOS) to Army Medical Specialist Corps upon his/her selection for IPAP. This is a non-waiverable part of his/her packet.
- (c) POC for this action is (Rank, Name, Phone, and Email).

(13) Program description and service obligation

a) This regulation solicits applications for IPAP classes to start in January, May, and August 2011 at the AMEDD Center and School located at Fort Sam Houston, Texas. RCC applicants will begin in Aug 2011 and then the applicant will start IPAP May 2012.

Students who meet the admission criteria and successfully complete all required training in Phases 1 and 2 of the IPAP will be awarded a qualifying degree as a PA by the affiliate university.

- (1) Didactic (instructional) instruction (Phase 1) will be provided at the AMEDD Center and School for a period of approximately 53 weeks.
- (2) Applicatory (clinical) training (Phase 2) will occur at selected Army military treatment facilities in the continental United States (CONUS) for a period of approximately 53 weeks.

b). Enlisted soldiers will attend the program in a commissioned officer candidate status; however, they are neither enrolled in nor participants of the Army Officer Candidate School (OCS) Program. (See AR 351-5.)

- (1) Upon successful completion of Phase 2 training, an eligible graduate may be tendered a Regular Army (RA) appointment as a commissioned officer in the Army Medical Specialist (SP) Corps. The appointment includes the designation in the area of concentration (AOC) 65D, RA. Each SP officer will then be required to complete the AMEDD Basic Officer Leadership Course (OBC) at Fort Sam Houston, Texas, prior to initial assignment.
- (2) Officers incur an active duty service obligation (ADSO) of 4 years beyond the date of successful completion of Phase 2, IAW AR 135-210, paragraph 2-7b, and AR 350-100.
- (3) If a student fails to successfully complete training, or if appointment as a commissioned officer is not tendered, the student will be required to complete the remaining period of enlistment (see paragraphs 10f and 10g of the Enlisted Application Memorandum) or be separated according to AR 635-200, if appropriate.

c) Warrant officers will attend the program in their current warrant officer grade.

- (1) Upon successful completion of Phase 2 training, an eligible graduate may be tendered a Regular Army (RA) appointment as a commissioned officer in the Army Medical Specialist (SP) Corps. The appointment includes the designation in the area of concentration (AOC) 65D, RA. Each SP officer will then be required to complete the AMEDD Basic Officer Leadership Course, prior to initial assignment.
- (2) Upon appointment, the officer incurs an active duty service obligation (ADSO) of 4 years beyond the date of successful completion of Phase 2. Any calculated ADSO remaining from prior warrant officer appointment will be served consecutively with ADSO incurred as a result of IPAP participation and it will be served "First incurred, first served". Time spent in the IPAP will not be used to satisfy any outstanding ADSO.
- (3) If the warrant officer fails to successfully complete the IPAP for any reason, or if they become non-select for promotion while attending the IPAP, they may be removed from training, re-branched, or separated from active duty depending on the needs of the Army.

d) Commissioned officers will be conditionally reappointed as SP officers, 65D00E, RA, IAW DoDI 6000.13, prior to the start of the program. While attending training, commissioned officers will wear the rank as

determined by their individual constructive service credit calculated IAW DoDI 6000.13, Medical Manpower and Personnel, paragraph 6.1.1.2, and policy established by the OTSG.

- (1) Officers who are not graduates of the Army Medical Department (AMEDD) Officer Basic Course (OBC) may be required to attend and complete the Basic Officer Leadership Course and Phases 2-4 of the AMEDD Leadership Courses, prior to initial assignment.
- (2) Officers incur an ADSO of 4 years beyond the date of successful completion of the IPAP. Any calculated ADSO remaining from prior appointment will be served consecutively with ADSO incurred as a result of IPAP participation and it will be served "First incurred, first served". Time spent in the IPAP will not be used to satisfy any outstanding ADSO.
- (3) If the officer fails to successfully complete the IPAP for any reason, or if he/she is non-selected for promotion, while attending the IPAP, they may be removed from training, re-branched, or separated from active duty depending on the needs of the Army.

14. Application deadlines

a. Effective upon publication of this regulation, applications will be accepted if postmarked by 1 Mar 10 and no earlier than 15 Oct 09. **Note: The SAT Results must be received by USAREC NLT 1 Mar 10 and All packets must have a copy of the SAT Results in the packet prior to being certified by the PSB, S1, or Commander.** Official Transcripts MUST be received NLT 1 Mar 10 and the applicant must include an Official transcript with a completed academic worksheet in the original packet.

- (1) The current FY selection board will select soldiers for all three training classes JAN, MAY, AUG 2011.
- (2) Applications and all documentation must be sent to USAREC (RCHS-SVD-PA) no later than 1 Mar 10. Applications postmarked after the application deadline may be returned to the originator without action.
 - a. Applicants not selected for training may reapply for consideration by submitting a new application with updated documentation to the next selection board. Applications will not be returned to applicants who were not selected by the IPAP board. Applicants must maintain eligibility to be considered for a future board. Applicants may only apply to the IPAP once a year, unless a special board is held and an applicant is approved for a second application within a 12 month period.
 - b. Those applicants chosen as alternates will have their applications held until all primary selects have reported to Fort Sam Houston, TX.

Vacancies created by deferments, declinations, academic and non-academic relief, and resignations will be filled by alternates. The application packets of alternates, not selected for a vacancy, will not be returned to the applicants. A new application must be submitted for consideration by the next IPAP selection board.

15. Basic application

Applications will be addressed to Commander, USAREC (RCHS-SVD-PA) (Your Last Name, First Name, Rank, and Email Address), 1307 Third Avenue, Fort Knox, KY 40121-2726. All documentation must be current within the 12 months prior to application.

Do not staple or bind application documents. Do not place in binders or cover sheets. Place all documents in sequence and place in a 2 pocket folder with two holes in the top of the forms. Make sure that the DA Photo is centered and glued on a 8 ½ X 11 sheet of white Paper. Once the packet arrives, it will be placed in a two sided folder and reviewed for accuracy.

The basic application memorandum for **enlisted applicants** will consist of the following statements:

- a. "I can be reached at the following addresses: include unit of assignment, location, Defense Switching Network (DSN) and commercial work phone numbers, residence address, home phone number, and electronic mail address and I will inform USAREC (RCHS-SVD) of all changes of assignment, contact information, physical status as soon as possible."
- b. "In accordance with Army Regulation 601-20, I hereby make application for the Interservice Physician Assistant Program. Upon successful completion of Phase 2 training, I will, if tendered, accept appointment as a regular Army (RA) commissioned officer and incur an active duty service obligation (ADSO) of 4 years beyond completion of the IPAP program. If appointment as a commissioned officer is not tendered, I understand I will be required to serve the period specified by my enlistment, reenlistment, or enlistment extension and that my failure to complete the period specified may result in separation according to AR 635-200."
- c. "I understand that upon successful graduation from this program and meeting all regulatory requirements, I will be awarded the AOC 65D. Appointment as a commissioned officer in the SP Corps, with an AOC 65D, will not be tendered until successful completion of Phase 2 training."
- d. "I meet all basic prerequisites listed in paragraph 6 of the cited regulation or have requested the appropriate waivers. To the best of my knowledge, I satisfy the medical standards for appointment as a commissioned officer, as set forth in AR 40-501, chapter 2. If I have a physical profile or a medical condition that would prohibit my appointment as a commissioned officer per AR 40-501, chapter 2, I have provided a copy of any temporary or permanent profiles with my application."

- e. To the best of my knowledge, I am eligible for appointment according to AR 135-101. I have reviewed my ERB, DA Form 2A (Personnel Qualification Record, Part I-Enlisted Peacetime) and DA Form 2-1 (Personnel Qualification Record-Part II). They are current and accurately posted."
- f. "If selected to participate in this training program, I will reenlist or extend my enlistment so that I meet the service remaining requirement of 36 months beyond the completion of the course in accordance with AR 614-200 , paragraph 4-6, and with AR 601-280, chapter 3. I further understand that I may not be voluntarily retired or otherwise separated under voluntary reasons prior to completion of my service obligation. I will forward to USAREC 1 copy of my reenlistment/extension contract, demonstrating the required remaining service obligation, no later than 90 days prior to the anticipated report date to IPAP. I understand that failure to submit this documentation of my remaining service obligation will result in my orders being withheld and possibly being removed from the selection list or deferred to another class."
- g. "I agree to complete the educational requirements of Phase 1, Phase 2, the AMEDD OBC, and to serve on active duty as a commissioned officer for a period of 4 years after successful completion of Phase 2, in accordance with AR 135-210, paragraph 2-7b."
- h. "I agree to serve on active duty in an enlisted status for the remaining period of my enlistment if for any reason I fail to successfully complete the training and if I do not receive an award of the AOC 65D upon completion of Phase 2 training. I also understand that if I fail to successfully complete Phase 2 for any reason, I will be reassigned in an enlisted status according to the needs of the Army under provisions of AR 614-200, paragraph 4-6, or separated in accordance with AR 635-200."
- i. " I understand that I am required to take the Physician Assistant National Certifying Examination (PANCE) sponsored by the National Commission on Certification of Physician Assistants, Inc. (NCCPA) on the first available examination date for which I am eligible IAW AR 40-68, paragraph 9-1. I must pass the exam within 12 months after completion of the IPAP Phase 2. Should I fail to pass the PANCE on my first attempt, I understand that I must retake the examination at my own expense at the next available opportunity. I also understand that failure to pass the PANCE within 12 months, except when officially exempted in writing, will result in my being involuntarily branch transferred in accordance with AR 614-100 paragraph 4.3, and that I will serve the remainder of my service obligation in the branch to which I am transferred. A request for branch transfer will be initiated after the first PANCE failure and will become effective one year after completion of the IPAP Phase 2 training if I have failed to pass the PANCE within that year. I further understand that once I become NCCPA certified, I will be required to maintain NCCPA certification as outlined by the certifying authority for the duration of my active federal service."
- j. "My total current service remaining requirement, including my most recent training, expired (or will expire) on (date). If my current or subsequent application for another

Service school is approved and I attend training, I understand that I will incur an additional service remaining requirement. I further understand I may be ineligible for enrollment into the Interservice Physician Assistant Program until all or part of my service remaining requirements are met (See AR 614-200, paragraph 4-6.)."

- k. "I understand that I may not be able to complete 20 years of qualifying service for retirement purposes under the provisions of section 12731, Title 10, United States Code prior to being removed from an active status under applicable laws and regulations. I understand that I may not be able to complete 20 years of qualifying service for retirement purposes under the provisions of section 3911, Title 10, United States Code and section 3926, Title 10, United States Code prior to being removed from active duty and/or active status under applicable laws and regulations. I further understand that I have no right to retention on active duty beyond the service obligation for training." Soldiers who have more than 8 years active Federal service will add: "I understand that I may not be able to complete 10 years of active commissioned service for purposes of retirement as a commissioned officer upon completion of 20 years active service. I am aware that if I am not integrated into the regular Army, current Army regulations require that I be released from active duty (or retired) upon attaining 20 years active service unless I am retained on active duty thereafter as an exception to policy according to AR 600-8-24 , paragraph 2-25a. I further understand that I should apply for such exception upon the anniversary of my 19th year of active service and should this extension be disapproved, I may only be eligible to retire in the highest enlisted grade held."
- l. Soldiers who have received an enlistment bonus or selective reenlistment bonus will add: "I understand that if selected for this training, I **may** have to refund the percentage of my enlistment, or reenlistment bonus equal to the percentage of obligated service that I will not perform in the specified MOS. My eligibility for bonus pay **may** cease on the date I depart my duty station for Fort Sam Houston, TX."
- m. Soldiers who contracted for an MOS that qualifies them for an Army college fund (ACF), or loan repayment will add: "I understand that once selected for this training, when my status changes to commissioned officer, **I am no longer eligible to receive the ACF or loan repayment enlistment incentive.** I will receive a prorated portion of the ACF and the loan repayment based on the number of months I served in the original qualifying MOS."
- n. "I am not currently scheduled for or attending MOS training as a result of reclassification or reenlistment retraining contract. I have not applied for reclassification or reenlistment retraining and will not apply for such training while I am an applicant for this program."

The basic application memorandum for **warrant officer** applicants will consist of the following statements:

- a. "I can be reached at the following addresses: include unit of assignment, location, Defense Switching Network (DSN) and commercial work phone numbers, residence address, home

- b. "In accordance with Army Regulation 601-20, I hereby make application for the Interservice Physician Assistant Program."
- c. "I understand that upon successful graduation from this program and meeting all regulatory requirements, I will be appointed as a Regular Army Commissioned Officer and awarded the AOC 65D. Appointment as a commissioned officer in the SP Corps, with an AOC 65D, will not be tendered until successful completion of Phase 2 training."
- d. "I meet all basic prerequisites listed in paragraph 6 of the cited regulation or have requested the appropriate waivers. To the best of my knowledge, I satisfy the medical standards for retention, as set forth in AR 40-501, chapter 3. I have provided a copy of any temporary or permanent profiles with my application."
- e. "I agree to complete the educational requirements of Phase 1, Phase 2, (and AMEDD OBC,) and to serve on active duty as a commissioned officer for a period of 4 years after successful completion of Phase 2. If I fail to complete the IPAP, I may be re-branched, or released from active duty depending on the needs of the Army."
- f. "My current active duty service obligation (ADSO) remaining for my most recent training expires on (date). I understand that any and all remaining ADSO will run consecutively with the ADSO incurred from the IPAP. Time spent in the IPAP will not be used to satisfy any outstanding ADSO, IAW DoDI 6000.13. Consecutive obligation will be discharged "first-incurred, first-served"."
- g. "To be eligible to apply to the IPAP, I understand that I must remain on active duty through 30 September of the academic year for which I am applying."
- h. "I understand that I am required to take the Physician Assistant National Certifying Examination (PANCE) sponsored by the National Commission on Certification of Physician Assistants, Inc. (NCCPA) on the first available examination date for which I am eligible IAW AR 40-68, paragraph 9-1. I must pass the exam within 12 months after completion of the IPAP Phase 2. Should I fail to pass the PANCE on my first attempt, I understand that I must retake the examination at my own expense at the next available opportunity. I also understand that failure to pass the PANCE within 12 months, except when officially exempted in writing, will result in my being involuntarily branch transferred in accordance with AR 614-100 paragraph 4.3, and that I will serve the remainder of my service obligation in the branch to which I am transferred. A request for branch transfer will be initiated after the first PANCE failure and will become effective one year after completion of the IPAP Phase 2 training if I have failed to pass the PANCE within that year. I further understand that once I become NCCPA certified, I will be required to maintain NCCPA certification as outlined by the certifying authority for the duration of my active federal service."

- i. "I understand that I have no right to retention on active duty beyond the service obligation for the training to which I am applying. I am aware that if not integrated into the Regular Army, current regulations require that I be released from active duty or retired upon attaining 20 years active service unless retained on active duty thereafter as an exception to policy."

The basic application memorandum for **commissioned officer** applicants will consist of the following statements:

- "I can be reached at the following addresses: include unit of assignment, location, Defense switching Network (DSN) and commercial work phone numbers, residence address, home phone number, and electronic mail address and I will inform USAREC (RCHS-SVD) of all changes of assignment, contact information, physical status as soon as possible."
- a. "In accordance with Army Regulation 601-20, I hereby make application for the Interservice Physician Assistant Program.
 - b. "I understand that I will be conditionally re-appointed as an Army Medical Specialist Corps officer, RA, AOC 65D00E IAW DoDI 6000.13, prior to the start of the program. I further understand that I will attend the IPAP with a re-appointed rank as determined by constructive service credit calculated IAW DoDI 6000.13, and policy established by OTSG on a case-by-case basis. If I become non-select for promotion while attending the IPAP, I may be removed from training, re-branched, or released from active duty depending on the needs of the Army. If I fail to complete the IPAP I may also be re-branched, or released from active duty depending on the needs of the Army."
 - c. "I meet all basic prerequisites listed in paragraph 6 of the cited regulation or have requested the appropriate waivers. To the best of my knowledge, I satisfy the medical standards for retention, as set forth in AR 40-501, chapter 3. I have provided a copy of any temporary or permanent profiles with my application."
 - d. "I agree to complete the educational requirements of Phase 1, and Phase 2, and to serve on active duty as a commissioned officer for a period of 4 years after successful completion of Phase 2. If I fail to complete the IPAP, I may be re-branched, or released from active duty depending on the needs of the Army."
 - e. "My current active duty service obligation (ADSO) remaining for my most recent training or appointment expires on (date). I understand that any and all remaining ADSO will run consecutively with the ADSO incurred from the IPAP. Time spent in the IPAP will not be used to satisfy any outstanding ADSO, IAW DoDI 6000.13. Applicants outside CONUS

- a. Individuals in overseas commands may submit applications.
- b. Decisions regarding curtailment of foreign service tours will be made by the CG, Army Human Resource Command on an individual basis. Requests for curtailments should be forwarded through USAREC (RCHS-SVD-PA) to HRC. AR 614-30 contains information pertinent to soldiers considering application for schooling. This will not be required until the Soldier is selected for the program.

Personnel management information

- a. All students will report to Phase 1 with the appropriate uniform changes.
 - (1) Enlisted students will wear OCS insignia During Phase 1 and Phase 2 training. Wearing OCS insignia does not indicate enrollment or participation in the Army OCS Program (AR 351-5). Rather, it ensures equality among students during training and identifies students as future officers in training, according to the Deputy Chief of Staff for Personnel memorandum (DAPE-MBI-CS) dated 11 SEP 91 and endorsement (DAPE-HR-S) dated 22 JAN 92. AR 670-1 prescribes appropriate wear of OCS insignia.
 - (2) Officers will report with the Army Medical Specialist Corps (AMSC) Branch insignia on their uniform. They will also report with their new rank after calculation of their constructive credit, per DoDI 6000.13.
- b. Unless already serving in the grade of sergeant or higher upon entry into training, enlisted students will be advanced to the grade of sergeant and classified as commissioned officer candidates. Enlisted individuals in higher grades will retain their present grade for pay purposes but will be classified as officer candidates for training purposes.
- c. For officers required to attend Phases 2-4 of the AMEDD Leadership Course, failure to complete this course will result in recycle in the course until all requirements for graduation are met.
- d. Enlisted students who fail to complete Phase 1 or Phase 2 training will be reassigned in an enlisted status, according to the needs of the Army and AR 614-200, paragraph 4-9, or separated according to AR 635-200.
- e. Enlisted individuals, promoted under the provisions of AR 600-8-19, paragraph 3-7c, will be informed that if they are on a current promotion list for SGT, they will be removed from such list and that failure to complete training could result in reduction. Individuals who entered the program at grades of sergeant or higher who fail to complete training will retain their original grade unless reduced for cause.

- f. Upon successful completion of Phase 2 training, eligible enlisted and warrant officer graduates will be appointed in the SP Corps. They will be awarded the AOC of 65D, and incur a 4-year active duty service obligation beyond graduation. Commissioned officer graduates will be awarded the AOC 65D, and incur a 4-year active duty service obligation.
- g. Upon acceptance of appointment, students will be discharged from their enlisted/warrant officer status and reassigned by the transition point at the student's Phase 2 training site. Coordination of these actions is the responsibility of the coordinators of the IPAP Program and USAREC (RCHS-SVD).
- h. Upon graduation, all graduates will be required to take the Physician Assistant National Certifying Examination (PANCE) sponsored by the National Commission on Certification of Physician Assistants, Inc. (NCCPA) on the first available examination date for which they are eligible. Should they fail to pass the PANCE on the first attempt, they must retake the examination at his or her own expense. Failure to pass the PANCE after two attempts will result in an involuntary branch transfer according to AR 614-100, or a release from active duty depending on the needs of the Army. If retained on active duty, the individual will serve the remainder of their ADSO in the branch to which they are transferred. NCCPA currency will be maintained as outlined by the certifying authority for the duration of the individuals Federal service.

16. Milestones in processing applications

The application period opens at the beginning of each new FY. The following summary of milestones and critical dates pertain to the submission of applications for all classes:

- a. The application period closes on 1 Mar 10. **ALL Transcripts, SATs, and required documentation must received at USAREC NLT 1 Mar 10 or at least post marked by 1 Mar 10.**
- b. Official transcripts, civilian and military, must be part of the application, and should be mailed directly to **HQ, USAREC, ATTN: RCHS-SVD-PA (Your Rank, Last Name, First Name), 1307 Third Avenue, Fort Knox, KY 40121-2726** by the awarding institution. Student transcripts and photocopies of transcripts are not acceptable. One Official Transcript should also be sent with the initial application in addition to the request for the official transcripts being mailed by the institution. It is advisable to request transcripts well in advance so that they may be evaluated and processed prior to the board convening date.
- c. Waivers for medical conditions or administrative waivers commonly require 6 weeks for processing. Approved waivers must be included in the application packet prior to the board convening date. **Applicants will submit the waiver request and all required documentation NLT 1 Mar 10.**

- d. Selections will be announced by USAREC (RCHS-SVD) via a worldwide MILPER message after Jul 10. This link can be found via Army Knowledge Online. It is located on the home website of Human Resource Command (HRC)- Alexandria, VA.

17. Appointments upon graduation

Enlisted and warrant officer students will submit applications for appointments as commissioned officers no later than six months prior to anticipated graduation from Phase 2. These application packets will include the documentation required by AR 135-100 and AR 135-101 . All forms, documents, and waivers for administrative and medical conditions must be submitted in a timely manner to ensure processing prior to graduation.

18. Army National Guard and U.S. Army Reserve soldiers

- a. Army National Guard soldiers interested in this training program should contact the school's program manager at the Plans, Operation, and Training Office or AMEDD recruiter of their respective State National Guard Activity for information on the application procedures and for assistance in completing their applications.
